MIX, MATCH AND CREATE

Carpet Tile / Design Coordination and Flexibility

# Bringing it Together ...

At Carpets Inter, we don't only manufacture the highest quality carpet tile, we fully manage projects from concept through to installation. Our design & planning teams are available to provide you with high quality 3D design visualizations with detailed quantity and layout schematics. Using 3D design technology, our team of professionals will turn your vision into a reality. Developing your concept using our collection based 'Mix, Match and Create' modular systems make it easy to create a unique signature look for your project.

We are pleased to bring you our "Mix, Match and Create" concept that offers a wide choice of alternate tile shapes and ideas for customization. This inspirational portfolio conveys techniques and design inspiration using creative modular tile configurations.

Should you need further information or simply need a little "inspiration", your Carpets Inter representative will be pleased to show you our full range of products and services.

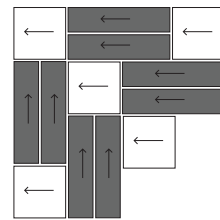

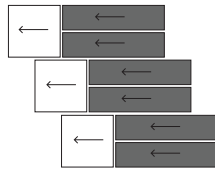

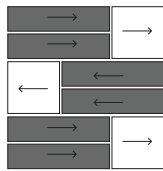

**... Carpets Inter, bringing ideas to life  
in easy steps**

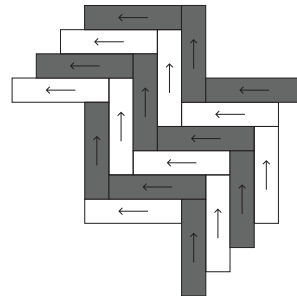

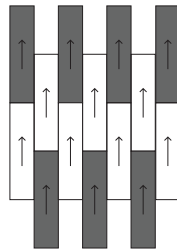

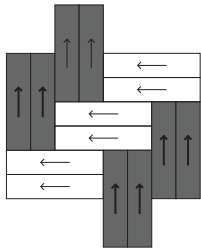

# Mix, Match and Create

Mix, Match and Create enables Interior Designers to explore new options with combinations of products utilizing the full Carpets Inter design collection. Below we illustrate some of the endless possibilities for carpet tile installation, utilizing alternative shapes and dimensions.

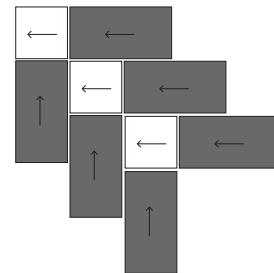

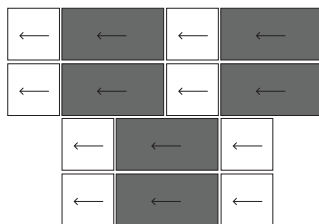

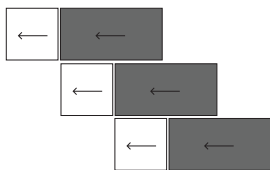

Size 50 x 50 cm. with 25 x 100 cm.

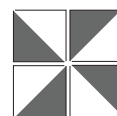

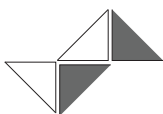

Size 25 x 100 cm.

Size 50 x 50 cm. with 50 x 100 cm.

Triangle Tile Layout, size 50 x 50 cm. diagonal cut

## .... so what size modules are available?

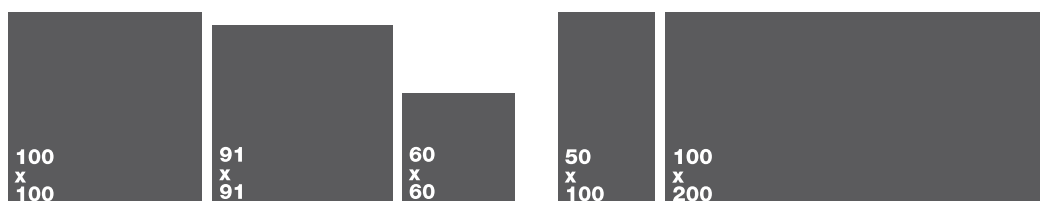

Coordinating textural patterns & colors to create unique schemes selected from various sized modules.

### Standard Size

Square Module 50 x 50 cm.

Thin Plank 25 x 100 cm.

### Custom Size

Square Module 100 x 100 cm., 91 x 91 cm., 60 x 60 cm.

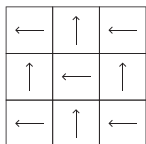

Wide Plank 50 x 100 cm, 100 x 200 cm.

## .... how are the modules configured?

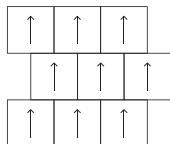

Alternative configurations provide flexibility during installation, resulting in minimal wastage for best effect and economy.

### STANDARD SIZE INSTALLATION METHOD

50 x 50 cm.
